Boa Wreath

We have seen some gorgeous feathery wreathes being sold in some high end catalogs, but they cost BIG bucks. You don't need a diva's salary to have a touch of girly glam in your pad. A few feather boas and a wreath form can turn any space from blah to beautiful.. and it will only cost a few bucks!

Shop at Dollar Tree – Here's What You'll Need:

- Wreath Form
- Enough Feather Boas to wind the entire form
- Straight Pins
- 1 Roll Tulle Ribbon

Easy Step-by-Step Directions:

1. Wind each boa around the form, tucking the ends under, and securing in place with pins. Repeat until the entire form is covered.
2. Cut a long piece of the tulle ribbon (about 5') and wind it a couple times around the top of the wreath and tie a bow to finish.
