Kisses Picture Frame

“I did it in the name of LOVE!” This adorable frame is the perfect gift for your special someone, and gives you an actual excuse for eating all of the chocolates in the bag!

Shop at Dollar Tree – Here’s What You’ll Need:

- Picture Frame
- Foil Wrapped Candy, like Hershey’s Kisses®
- White Glue
- Paintbrush or Small Sponge

Easy Step-by-Step Directions:

1. Carefully flatten and smooth the wrappers from foil wrapped candies. We used chocolate hearts along with the Hershey’s Kisses® (be sure to set aside the “tails” too!)
2. Remove the glass and backing from the frame.
3. Working in small sections at a time, spread thin layers of glue and layer the wrappers to completely cover the frame. Allow to dry.
4. Create a glue solution by thinning glue, at a ratio of 2 parts glue to 1 part water. Lightly brush or sponge the glue solution completely over the frame.
5. Lay the Kisses’ tails across sections of the frame and lightly smooth down. Be careful, they’re a bit delicate. Allow to dry.
6. Brush on 2 more coats of the glue mixture to seal your handiwork, allowing to dry between coats.
7. Complete it with a happy photo!
